

# Doda, Waterfalls

I didn't have a chance to see this coming  
Going through the motions on my own  
Somewhere in the darkness  
Oh, I saw you  
Now I've got a feeling I used to know

You were alone  
Night without stars  
Cold as a stone  
Just as I was  
So hold  
Hold on to love  
I don't need a lie  
Just don't let this die

I'm falling like a waterfall now  
Take me as I am  
I just want a love that's real now  
So don't you let me down  
Don't you let me down, yeah

There's something 'bout silence  
That hits with a violence  
So work with me let's drown it out  
When I first met you  
You lit up the darkness  
So bright  
So bright

We're not alone  
At night without stars  
Home of our own  
Just as it was  
So hold  
Hold on to love  
I don't need a lie  
Just don't let this die

I'm falling like a waterfall now  
Take me as I am  
I just want a love that's real now  
So don't you let me down  
Don't you let me down, yeah

I'm falling like a waterfall now  
Take me as I am  
I just want a love that's real now  
So don't you let me down  
Don't you let me down, yeah
