

# Doda, You Are The One (English Version Of Nie

I want gone with a spin on my chest  
(I will go with it  
I will go with it)  
I didn't know what to do  
So I opt to less  
(I was wrong, baby  
So wrong baby)

Now, when I'm back home  
No one make a mistake  
(What Was wrong with me?  
What Was wrong with me?)  
All I saw everywhere was your face (?)

And If I COULD GO BACK  
I never would have done that  
I need you to understand  
That you're the one  
'Cause I just got to look at you

I finally know  
That you're the one  
You the one for me  
You are I need  
You don't know what you've got until it's gone  
I'm sorry  
Forgive me  
Now I know  
You're the one

Will I feel the same when I kiss again?  
(Will I feel  
Will I feel  
Tell me ... )  
If you been miss me (?)  
And if I could go back  
I never would have done that  
I need you to understand  
That you're the one  
'Cause I just got to look at you

I finally know  
That you're the one  
You the one for me  
You are I need  
You don't know what you've got until it's gone  
I'm sorry  
Forgive me  
Now I know  
You're the one

You're the one  
Now I know  
You're the one  
You're the one  
'Cause I just got to look at you  
You're the one  
You're the one  
You're the one

I finally know  
That you're the one  
You the one for me  
You are I need

You don't know what you've got until it's gone  
I'm sorry  
Forgive me  
Now I know  
You're the one
