

Doe Paoro, Born Whole

we born whole. we become half
drumming in her soul as she plucks out the lemon grass
we born whole. we become half
drumming in her soul as she plucks out the lemon grass
/2x

each night i'd wail to the river ready walk on water to find his ghost
im ready to find his ghost
ready to find his ghost

i ask him to send me sign i keep looking i can't find
i'm ready to find his ghost
ready to find his ghost
i'm ready i'm ready

we born whole. we become half
drumming in her soul as she pluck out the lemongrass

oh please please please
return to me, return to me

who will take care of me now
where is he
this is not what i know, this is not what i know
where is he
who will take care of me
who will take care of me
who will take care of me now
where is he (too late)

we born whole. we become half
drumming in her soul as she pluck out the lemon grass
we born whole. we become half
drumming in her soul as she plucks out the lemon grass

oh please please please
return to me
return to me

we born whole. we become half
yea its been drummin in her soul since she plucked out the lemongrass
