

# Doja Cat, So High

[Pre-Chorus]

Blow, weed, coke, pop X  
Speedin' up the heartbeat bangin' in the chest  
When you put it on me you relieve my stress  
You got me so high, takin' deep, deep breaths  
You get me so high, you get me so high  
I know you ain't a drug, but you get me so high

[Chorus]

You get me so high, you get me so high  
I know you ain't a drug, but you get me so high  
You get me so high, you get me so high  
I know you ain't a drug, but you get me so high  
You get me so high, you get me so high  
You get me so high, you get me so high, high

Ah, then we'll roll up a hundred fuckin' blunts  
All up in my mouth, now I'm all up in yo' \*meowing\*  
This nigga got pounds of it all up in his trunk  
Now we both look Asian, he wavin' and I'm drunk  
I got dank shit in my cup, you know what I'ma do to you  
I could get real used to you, blow, weed, X  
And we sippin' on that juicy-juice, that's just what she choose to do  
Oh, man, this shit these drugs will do to you

Blow, weed, coke, pop X  
Speedin' up the heartbeat bangin' in the chest
