

# Doja Cat, Streets

[Intro]

I've been goin' through some things (Oh)  
I struggle with my inner man (Yeah, yeah)  
I hustle, I'll do what I can to get this money  
Blaq Tuxedo  
Don Dada on the, Don Dada on the beat

[Chorus]

Like you, like you  
Like you, ooh  
I found it hard to find someone like you  
Like you, like you  
Send your location, come through

[Post-Chorus]

I can't sleep no more  
In my head, we belong  
And I can't be without you  
Why can't I find no one like you?  
I can't sleep no more  
In my head, we belong  
And I can't be without you  
Why can't I find no one like you?

[Verse 1]

Baby, we tried to fight it  
We all been there some days  
Thought I needed something else  
And acted like I was okay  
We just had to work it out  
And baby, I needed space  
Ain't nobody 'round here on your level  
You're so far away  
You're pouring your heart out  
I'm acting like I knew  
You held me so down  
So down I never grew, oh  
I tried to find out  
When none of them came through  
And now I'm stuck in the middle  
And baby had to pull me out, oh

[Chorus]

Like you, like you  
Like you, ooh  
I found it hard to find someone like you  
Like you, like you  
Send your location, come through (Yeah)

[Verse 2]

Damn papa, you a rare breed, no comparing  
And it's motherfuckin' scary  
Tryna keep him 'cause I found him  
Let a ho know I ain't motherfuckin' sharing  
I could take you to the parents, then to Paris  
Plan a motherfuckin' wedding  
You the type I wanna marry (Yeah) and keep you merry  
I'll put the ring on when you ready  
We play our fantasies out in real life ways and  
No Final Fantasy, can we end these games though?  
You give me energy, make me feel lightweight (Woo)  
Like the birds of a feather, baby (Woo)  
We real life made for each other (Woo)  
And it's hard to keep my cool

When other bitches tryna get with my dude and  
When other chickens tryna get in my coop  
'Cause you're a one in a million  
There ain't no man like you

[Chorus]  
Like you, like you  
Like you, ooh  
I found it hard to find someone like you  
Like you, like you  
Send your location, come through

[Post-Chorus]  
I can't sleep no more  
In my head, we belong  
And I can't be without you  
Why can't I find no one like you?  
I can't sleep no more  
In my head, we belong  
And I can't be without you  
Why can't I find no one like you?
