

Dolls Insane, Every Street

Walking round on the street
Look around - what I see?
Funny people everywhere
Everybody sees the same
The same

Walking round on the street
Look around - what I see?
Funny people everywhere
Everybody sees the same
Are you ready for a change, now?
Are you ready for a change?

Walking round on the street
Look around - what I see?
Funny people everywhere
Everybody sees the same
Are you ready for a change, now?
Are you ready for a change?
