

# Dolly Parton, All I Can Do

(Dolly Parton)

It's all I can do to keep from falling in love with you  
All I can do to keep from letting it show  
Yeah it's all I can do to keep from falling in love with you  
All I can do to keep from telling you so  
I wasn't looking for love when I found you  
Just someone to be with and have a good time  
But I get these strange funny feelings around you  
When you're not with me, you're still on my mind

And it's all I can do to keep from falling in love with you  
All I can do to keep from letting it show  
Yeah it's all I can do to keep from falling in love with you  
All I can do to keep from telling you so

I had intended to wait for a long time  
I thought that love would just mess up my plans  
'Cause I had big plans for a bright shining future  
Could this be my future that's holding my hand

And it's all I can do to keep from falling in love with you  
All I can do to keep from letting it show  
Yeah it's all I can do to keep from falling in love with you  
All I can do to keep from telling you so

I need to tell you how I feel about you  
But I'm so afraid that you don't feel the same  
But if I don't tell you how I feel about you  
I just might lose you, can I take that chance

And it's all I can do to keep from falling in love with you  
All I can do to keep from letting it show  
Yeah it's all I can do to keep from falling in love with you  
All I can do to keep from telling you so
