

# Dolly Parton, Dreams Do Come True

(Bill Owens)

Like the morning sun  
His love moved across every inch of my body

And the heat from the fire burned me up with desire  
I thought I'd died and gone to heaven for sure

This morning when I opened my eyes  
There to my surprise  
Lay that angel I thought had been only a dream  
And so I said a little prayer  
And thanked God, that he was there  
Oh, this is a dream come true

Dream do come true  
I know 'cause I found you  
I never thought they did  
But now I do  
Dreams do come true

It was love at first sight  
And it was love all night

And the way he made love to me  
Fulfilled all my fantasies  
Ooo, this is a dream come true

Yes, dreams do come true  
I know 'cause I found you  
I never thought they did  
But you're living proof  
That dreams do come true

Dreams do come true  
And I am so in love with you
