

Dolly Parton, Honky Tonky Angels

As I sit her tonight, the ducocks playing, the song about the wild side of life,
As I listen to the word thst you are singing, it brings memories when I was a trusting dwibe.

CHORUS

It wasn't God who made Honkey Tonk Angels, as you said in the words of your song,
Too many times married men think they're still single and have caused many a good girl to go wrong

It's a shame that all the blame is on us women, it's not true that only you men feel the same,
From the start most, every heart that's ever broken, was because there always was a man to blame

CHORUS
