

# Dolly Parton, I'll Oilwells Love You

I met a man in Texas  
And oh, he was so fine  
And I said to myself  
Self, I'm gonna make him mine  
He owned a lot of oil wells and his bank roll sure was healthy  
And I new if I married him I'd suddenly be wealthy

Oh I'll oil wells love you  
I'll oil wells care  
I'll oil wells need you  
I want you oil wells dear

Well I never had no money  
Not a penny to my name  
And I said I'd find a rich man  
And I'd love my way to fame  
So he took mt in his arms  
And I cuddled up real near  
The money bug then bit me and I wispered in his ear

Oh, I'll oil wells love you  
I'll oil wells care  
I'll oil wells need you  
I want you oil wells dear

He looked in to my eyes and thought he saw a love light shine  
Nearly did he know that that light was dollar signs  
Now that we are married there ain't nothin' left to tell  
We'll live happily ever after because all is well that ends well

Oh, I'll oil wells love you  
I'll oil wells care  
I'll oil wells need you  
I want you oil wells dear
