

# Dolly Parton, I Will Always Love You

If I should stay  
Well, I would only be in your way  
And so Ill go, and yet I know  
That Ill think of you each step of my way  
And I will always love you  
I will always love you  
Bitter-sweet memories  
Thats all I have, and all Im taking with me  
Good-bye, oh, please dont cry  
cause we both know that Im not  
What you need  
I will always love you  
I will always love you  
And I hope life, will treat you kind  
And I hope that you have all  
That you ever dreamed of  
Oh, I do wish you joy  
And I wish you happiness  
But above all this  
I wish you love  
I love you, I will always love  
I, I will always, always love you  
I will always love you  
I will always love you  
I will always love you
