

# Dolly Parton, If I Lose My Mind

(Dolly Parton)

Mama, it's so good to be back home again  
I'm so proud to see that you are looking well  
Yes, I know that I look a little weary  
Oh, but Mama, I have been through living hell  
You know how much I've always loved him, Mama  
But he done things to me I couldn't understand  
Why, he made me watch him love another woman  
And he tried to make me love another man

Mama, can I be your little girl again?  
I need you now even more than I did then  
And I need a lot of love and understanding  
And a lot of time to get me over him

If I lose my mind, Mama, I wanna be here with you  
Have them lock me up and see I have good care  
But I just couldn't stand his torture any longer  
I was afraid of what I'd do if I stayed there
