

# Dolly Parton, If You Go, I'll Follow You

If you go, I'll follow you  
You can't leave my love behind  
If you go (if you go) I'll follow you  
Even death will never end this love of mine

I have loved you for so long  
With a love most true and strong  
You have all I may request  
And I'll love you good or bad

Where you go I'll come with you  
No matter where you take me to  
I'll go to hell  
And back again  
I'll be with you  
Until the end

If you go, I'll follow you  
You can't leave my love behind  
If you go (if you go) I'll follow you  
Even death will never end this love of mine  
If you go, I'll follow you....
