

# Dolly Parton, In Each Love Some Pain Must Fall

Darling it's not really over it just seems to be  
Darling I don't really think that we want to be free  
A raging storm of anger made us want to end it all  
Darling don't you know in each love some pain must fall

These tiny drops of pain that's falling down our face  
Tomorrow will be gone almost without a trace  
It's hurtin' now but soon we'll find it doesn't hurt at all  
Darling don't you know in each love some pain must fall

In each love some pain must fall that doesn't mean that it's the end  
When the anger is all gone everything will be all right again  
And the hurt that seems so big now tomorrow will seem small  
Darling don't you know in each love some pain must fall
