

# Dolly Parton, Just Between You And Me

So I feel so blue sometimes I want to die  
And so I've got a broken heart so what  
They say that time will heal all wounds in mice and men  
And I know that someday I'll forget and love again

But just between you and me I've got my doubts about it  
Just between you and me you're too much to forget

So I've lost the only one I've ever loved  
And so I've never felt so low so what  
I'll just tell myself each time I want to cry  
That someday time will dry the teardrops from my eyes

Just between you and me I'm not so sure about it  
Just between you and me you're too much to forget  
You're too much to forget
