

Dolly Parton, Light Of A Clear Blue Morning (Rep

(Dolly Parton)

I can see the light of a clear blue morning
I can see the light of a brand new day
Yes, I can see the light of a clear blue morning
And everything's gonna be all right
Everything's gonna be all right
Everything's gonna be all right
It's gonna be okay
'Cause I can see the light of a clear blue morning
I can see the light of a brand new day
Oh, I can see the light of a clear blue morning
Everything's gonna be all right
It's gonna be okay

I can see the light
I can see the light
It's gonna be all right
It's gonna be all right
