

# Dolly Parton, More Where That Came From

(Dolly Parton)

I've been through hell and half of Louisiana  
Lookin' for a man like you  
I know you could have any woman you want  
And I know you've had a few  
I know I've got some stiff competition  
They ain't got nothin' on me  
'Cause I've got something that you've been missin'  
I practice what I preach

'Cause I wanna be your lover  
I wanna be your friend  
And I wanna be your full-time woman  
Closer than your kin  
I wanna be your satisfaction  
Be your number one  
And just when you think I can't love you any better  
Well, I have just begun  
'Cause there's more where that came from  
There's more where that came from

And I want your clothes in my closet  
My name on your mail  
And I want my love to be your faucet  
Drinkin' from an endless well  
I want your kids to call me Mama  
I want you to call me Hon  
I wanna be the one you love and honor  
When it's all been said and done

'Cause I wanna be your lover  
I wanna be your friend  
And I wanna be your full-time woman  
Closer than your kin  
I wanna be your satisfaction  
Be your number one  
And just when you think I can't love you any better  
Well, I have just begun  
'Cause there's more where that came from  
That's right, there's more where that came from
