

# Dolly Parton, Once In A Very Blue Moon

(Patrick Alger/Gene Levine)

I found your letter in my mailbox today  
You were just checkin' if I was okay  
And if I still miss you  
Well you know what they say

Just once in a very blue moon  
Just once in a very blue moon  
Just once in a very blue moon  
And I feel one comin' on soon

No need to tell me you'd like to be friends  
And help me get back on my feet again  
And do I still miss you?  
Well it's just now and then

Just once in a very blue moon  
Just once in a very blue moon  
Just once in a very blue moon  
And I feel one comin' on soon

There's a blue moon shinin'  
When I'm reminded  
Of all we've been through  
Such a blue moon shinin'  
Does it ever shine down on you?

Oh, 'cause you act like  
It never even hurt you at all  
And I'm the only one  
Gettin' up from a fall  
Tell me you dont feel it  
Oh can't you recall

Just once in a very blue moon  
Just once in a very blue moon  
Just once in a very blue moon  
And I feel one comin' on soon
