

Dolly Parton, Only Hand You'll Need To Hold

When you need to be loved let me love you when you need a friend reach out to me
When you need reassuring that it's alright anything you need that's what I'll be
For I want to be the one you always come to when you find you need a place to go
Let mine be the hand you always cling to
Mine will be the only hand you'll ever need to hold
Mine will be the only hand you'll ever need to hold

I can be the one that makes you happy I'll be your umbrella when it rains
I will be someone that you can count on in other words I'll be your everything
For I want to be the one...
I want to be the one...
