

# Dolly Parton, Put A Little Lover In Your Heart

(Jackie DeShannon/Randy Myers/Jimmy Holiday)

Think of your fellow man  
Lend him a helping hand  
Put a little love in your heart  
You see it's getting late  
Oh, please don't hesitate  
Put a little love in your heart

And the world will be a better place  
And the world will be a better place  
For you and me  
You just wait and see

Another day goes by  
And still the children cry  
Put a little love in your heart  
If you want the world to know  
We won't let hatred grow  
Put a little love in your heart

And the world will be a better place

And the world will be a better place  
For you and me  
You just wait and see, wait and see

Take a good look around  
And if you're lookin' down  
Put a little love in your heart  
And I hope when you decide  
Kindness will be your guide  
Put a little love in your heart

And the world will be a better place  
And the world will be a better place  
For you and me  
You just wait and see  
Put a little love in your heart  
Each and every day  
Put a little love in your heart  
There's got to be a better way  
Put a little love in your heart  
Don't you think it's time we start  
Put a little love in your heart
