

# Dolly Parton, Rosewood Casket

There's a little rosewood casket  
Resting on a marble stand  
With a packet of old love letters  
Written by my true love's hand  
Go and bring them to me, sister  
Read them o'er for me tonight  
I have often tried by could not  
For the tears that filled my eyes

When I'm dead and in my casket  
When I gently fall asleep  
Fall asleep to wake in heaven  
Dearest sister do not weep

Take his letters and his locket  
Place them gently on my heart  
But this golden ring that he gave me  
From my finger never part

Repeat Chorus
