

# Dolly Parton, The Dark End Of The Street

At the dark end of the street that's where we always meet  
Hiding in shadows where we don't belong living in darkness to hide our wrong  
You and me at the dark end of the street you and me  
I know time's gonna take its toll we have to pay for the love we stole  
It's a sin and we know it's wrong oh but our love keeps a coming on strong  
Steal away to the dark end of the street you and me  
They're gonna find us yes they're gonna find us  
They're gonna find us Lord some day  
You and me at the dark end of the street you and me  
And when the daylight hours roll around and by ten we're both downtown  
If we should meet just walk on by oh my darling now please don't you cry  
Tonight we'll meet at the dark end of the street you and me
