

# Dolly Parton, Wildest Dreams

(Dolly Parton/Mac Davis)

Let's drink a toast to what might have been  
To all that we were, but can't be again  
And let's just be thankful we parted as friends  
Here's to the past, let the future begin

Oh, and here's to you wildest dreams  
And here's to your everything  
May your life be blessed with sweet happiness  
Baby, here's to your wildest dreams

I made a promise that I wouldn't cry  
You go chase your rainbows, go on reach for the sky  
But come hold me close now, look deep in my eyes  
Tell me you love me, then kiss me goodbye

Oh, and here's to you wildest dreams  
And here's to your everything  
May your life be blessed with sweet happiness  
Baby, here's to your wildest dreams

I'll always love you and I'm on your side  
In whatever you do, I will take pride

Oh, and here's to you wildest dreams  
And here's to your everything  
May your life be blessed with sweet happiness  
Baby, here's to your wildest dreams

Baby, here's to your wildest dreams  
Dreams, dream on, baby
