

# Dolly Parton, You Are

(Dolly Parton)

Sometimes I try to count the ways and reasons that I love you  
But I can't ever seem to count that far  
I love you in a million ways and for a million reasons  
More than this I love you as you are  
More than this I love you as you are

You are my inspiration, you are the song I sing  
You are what makes me happy, you are my everything  
You are my daily sunshine, you are my ev'ning star  
Ev'rything I'll ever need or want, that's what you are  
Ev'rything I'll ever need or want is what you are

You are my thoughts when I'm awake, my dreams when I'm asleep  
You are the reason for my smile, you are the words I speak  
Every role I play in life you play the leading part  
Ev'rything I'd ever hope to find is what you are  
Ev'rything I'd ever hope to find is what you are

You are my inspiration, you are the song I sing  
You are what makes me happy, you are my everything  
You are my daily sunshine, you are my ev'ning star  
Ev'rything I'll ever need or want, that's what you are  
Ev'rything I'll ever need or want is what you are

You are...  
You are
