

Dolly Parton, You'll Always Be Special To Me

Mm to you I may never be more than a friend but you'll always be special to me
To you I may never be closer than I am but you'll always be special to me
Maybe I set my sights too high to be real
I may be wrong but love is strong and I can't hide how I feel
To you I may never be more closer than I am but you'll always be special to me

Maybe I set my sights too high to be real
But love is strong I may be wrong and I can't hide how I feel
To you I may never be more closer than I am but you'll always be special to me
