Dolly Parton, You're Gonna Be Sorry

(Dolly Parton)

Some day you're gonna want me but I ain't gonna be around Some day you'll find you miss the kiss that you're forever turnin' down When you decide you want the love that once you could've had Well that's gonna be to bad and you're gonna be sorry

You're gonna be sorry for all the dirty deals you've handed me All the nights you stayed away you wished you'd spent with me While you were busy makin' out, I was busy makin' plans for checkin' out And when you find this out, you're gonna be sorry

You'll wake up cryin for me like I've done so many nights for you You'll walk the floor and you'll call my name but I ain't gonna hear you You'll curse the night and you'll hate yourself for ever doin' me wrong But I'm gonna be long gone and you're gonna be sorry

You're gonna be sorry for all the dirty deals you've handed me All the nights you've stayed away you wished you'd spent with me While you were busy makin' out, I was busy makin' plans for checkin' out And when you find I'm gone, you're gonna be sorry

You're gonna be sorry, sorry, sorry, sorry, sorry
