

# Dominoe, Here I Am

No fantasy  
I'm reality

Oh  
a dream comes true for me and you when I'm with you!  
You're watching me  
I will make you free

I take you round the world  
so I'm with you  
and comfort you.

Here I am  
- more than ever -  
Back again  
- friends forever -  
Take me on the run. - your little friend -  
Here I am  
- more than ever -  
Back again  
- friends forever -  
Take me on the run. - your little friend -

Come and take my heart  
we will never part

Oh  
we are wild and free  
so come with me  
believe in me!  
Here I am  
- more than ever - . . .  
So come and take me in your arms  
don't let me wait much longer

So won't you come into my heart tonight ? take me heart forever  
Take my heart forever - take my heart forever -  
Here I am  
- more than ever - . . .  
Here I am  
- more than ever -  
Your little friend  
- friends forever -  
Here I am !
