

# Don Gibson, My Hands Are Tied

Well my hands're tied yeah my hands're tied  
Baby tonight I like to hold you tight oh but my hands're tied  
Well my hands're tied yeah my hands're tied  
Like a well puppy duck it's just my luck and my hands're tied  
When you call my name I go insane  
Oh a date with you would be a dream come true but my hands're tied  
[ piano - guitar ]  
Well my hands're tied yeah my hands're tied  
Baby tonight I like to hold you tight oh but my hands're tied  
When you call my name I go insane  
Oh a date with you would be a dream come true but my hands're tied
