

Don Williams, Oh Misery

Oh misery, coming down all over me
Oh can't you see, you're the one that I need
You don't seem to notice, the way I feel
You don't seem to understand, my love is real
You don't seem to care at all, how hard I try
And I do try, Lord knows I try.
Oh misery, coming down all over me
Oh can't you see, you're the only one that I need
If you'd stop to listen, I know you'd hear
If you'd stop to look, you'd see me here
But you don't seem to care at all, that I could cry
I don't know why, can't let it lie
Oh misery, coming down all over me
Oh can't you see, you're the one that I need
