

# Don Williams, Years From Now

Years from now, I'll want you years from now  
I'll hold you years from now as I hold you tonight  
You are my one true friend always my one true friend  
And I'll love you till life's end, as I love you tonight  
I know this world that we live in can be hard now and then  
And it will be again, many times we've been down  
Still love has kept us together for the flame never dies  
When I look in your eyes the future I see  
Holding you years from now  
Wanting you years from now  
Loving you years from now  
As I love you tonight
