

Donna Summer, Donna Summer

You know baby, I'm so happy to be here with you tonight
That I just want to let you know
That I'd follow you to the end of the world
Just to show you that I care
And I want you to know that
If you need me
I'll always be there
Dancing close feeling restless, it's a slow sultry night
It will be a life time til sunrise, if you don't stay with me tonight
Feel your breath caress my shoulder as your heart frees my mind
You don't have to tell me anything I can see everything in your eyes
It's so easy with you, I don't need an excuse to be the woman in me
It's so hard to believe that I'm feelin so free to be the woman in me
Baby theres so much no man has ever touched of the woman in me
But I love ya, baby...ahh
I might be tremblin but I'm not scared, just my desire breakin free
I never had the chance like this before, to unlock all the doors to the
woman in me
It's so easy with you, I don't need an excuse to be the woman in me
It's so hard to believe that I'm feelin so free to be the woman in me
Baby, theres so much no man has ever touched of the woman in me
Like the dark side of the full moon
never shown
what I'm showing to you
It's so easy with you
I don't need an excuse
to be the woman in me
It's so hard to believe
That I'm feelin so free
To be the woman in me
It's so easy with you
to be the woman in me
It's so easy with you
to be the woman in me
It's so easy with you
to be the woman in me
