

Donna Summer, My Man Medley: The Man I Love

Spoken:

I just wanna say this
this is something I think most of you ladies will identify with
and maybe some of you men too

(THE MAN I LOVE)

Someday he'll come along
the man I love
and he'll be rich and strong
the man I love
and when he comes my way
I'll do my best to make him stay

He'll look at me and smile
I'll understand
and maybe for awhile
he'll take my hand
and though it seems absurd
I know we both won't say a word

Spoken:

You know I'm the kind of lady
that always seems to find the wrong man
at the wrong place at the wrong time
it's not that I go out looking for him
but somehow he always seems to find me
you see what I'm looking for is the kind of man
that comes home with candy
and flowers sayin' "come on put on your dancing shoes
cause we're gonna wine and dine, wine and dine"
but what I always seem to find is the kind of man
that comes home fussing
and fighting, breaking my best dishes
and beat my head outside the wall
shows no love no respect and nothing at all

(I GOT IT BAD AND THAT AIN'T GOOD)

Never treats me sweet and gentle
the way he should
I got it bad and that ain't good!
(no, it ain't good at all, you know)

Spoken:

Listen, have you been treating your lady nice lately, you have?
and how about you?
great, well I've been gettin' rocked completely!

My poor heart is sentimental it's not made of wood

I got it bad and that ain't good

Spoken:

So you see on Monday nights
I just go out and drink and drink

But when the weekend's over on Monday rolls around
I end up like I start out just cryin' my heart out
cryin' my heart out
Lord above me (come on) make him love me
then he should
I got it bad baby

I got it bad baby
I got it bad and that ain't good!
no it ain't good at all you know

Spoken:
But listen Mister big shot I've got your number
and I'll take care of you
and you too and you and you and you

(SOME OF THESE DAYS)

Some of these days
you're gonna miss your Donna
some of these days
you're gonna feel so lonely
you'll miss my huggin'
you'll miss my kissin'
you'll miss me honey
when you're far away

You're gonna be so lonely
for me only
cause you know daddy
you had you way
and if I leave you
you know it's gonna grieve you
you're gonna miss your sweet lovin' Donna
some of these days

And if I leave you
you know it's gonna grieve you
you're gonna miss your sweet little Donna
some of these days

Hey honey call me when you got time
know what I mean...
