

# Donna Summer, RUMOUR HAS IT (in Album Live

Spoken:

Rumour, rumour hear all about it  
rumour has it and I'm gonna shout it  
rumour, rumour hear all about it  
rumour has it and I have got to shout it  
thank you so much alright

now I'll tell you what I heard  
Rumour has it all around the town  
someone's looking for a girl like me  
where can she be found

I hope it's who I think it is  
I wonder if it's really him  
it's got to be the man I love  
no one else but him

There's a rumour, rumour has it  
there's a rumour

They say he's gonna make this girl his everything  
he's gonna love her and surround her  
with all those beautiful things

it was the most wonderful moment in my life I had  
my life ended on that evening

I lost him, Lord it hurt so bad  
There's a rumour, rumour has it  
there's a rumour

You never know just what you've won until you've lost  
and the object of the game is not to pay the cost  
anyone can play the game, there are no rules  
and you never know just what you've won until you lose

There's a rumour, there's a rumour  
rumour has it

there's a rumour, there's a rumour  
rumour has it, rumour has it  
there's a rumour, there's a rumour  
there's a rumour, such a rumour
