

# Donna Summer, Try Me I Know We Can Make It

I love everybody alright alright  
you know it's a very very special day today  
because what a night tonight  
business is out  
you're 'round  
I'm here  
Anything could happen  
it's a magical mystical night  
and you know you also on a live recording  
I want you to try me  
'cause I know we can make it  
come on now yeah

Try me try me try me try me  
just one time  
try me try me try me try me  
just one time  
now baby don't you think you should

Try me try me try me try me  
just one time  
try me try me try me try me  
just one time  
now baby don't you think you should

I just wanna your body close to mine  
I just wanna share your love  
and baby all the time

Fill me fill me fill me fill me  
full of love  
fill me fill me fill me fill me  
full of love  
fill me fill me fill me fill me  
full of love  
fill me fill me fill me fill me  
full of love

Try me...  
Oh try me baby you try me...  
I want you to try me...

I know I know I know I know I know  
I know I know I know I know I know  
I know I know I know we can make it

I know I know I know I know I know  
I know I know I know I know I know  
I know I know I know we can make it

You've got an easy way to make me cry  
my love for you  
and I can tell by the hungry way you look  
that you know just what to do

We can make it  
we can make it  
we can make it

Try me I know we can make it  
I know if we try  
try me I know we can make it  
I know if we try...

I love you LA you really are  
you're the greatest!
