

Donots, That's armageddon

Go, play it safe
Nothing's complicated
The concept's clear
Spoon-fed and sedated
Yeah, I know ignorance is bliss
You never broke the rules
How many asses can you kiss
To become the king of fools?
All the wasted time
That's armageddon
Keep yourself in line
And you're getting nowhere fast
All the wasted time
That's armageddon
Keep yourself in line
And you're getting nowhere fast
In your small world
Thinking's overrated
No questions asked
You're never agitated
Are you content with what you know?
These handcuffs fit you so fine
Happy-go-lucky prisoner
Keep smiling - you're only dying
All the wasted time
That's armageddon
Keep yourself in line
And you're getting nowhere fast
All the wasted time
That's armageddon
Keep yourself in line
And you're getting nowhere fast
You're scared of what you'll never see
The person you can't be
And the places you would never go
Everything that you don't know
You'll never grow
All the wasted time
That's armageddon
Keep yourself in line
And you're getting nowhere fast
All the wasted time
That's armageddon
Keep yourself in line
And you're getting nowhere
Time, the time
