

Doro, Brutal And Effective

Somebody please say a prayer for me tonight
I'm feelin' lost and there's no hope in sight
Tryin' to hold on.. to the vision
So hard.. when you're down
I'd trade an ounce of hard-earned wisdom.. just to get out!
You'll never know, till you've been broken
With the weight of the world in your hands
Don't wanna know, heart full of sorrow... yeah!
Nobody loves you when you're broken.. broken down
Oh.. no money, no place to lay my head down
Nobody to drive away the tears..
And if I get my hunger again... oh yeah!
And if I get that feelin' again.. it's all the same..
You'll never know, till you've been broken
With the weight of the world in your hands
Don't wanna know, heart full of sorrow... oh!
Nobody loves you when you're broken.. the last kind words you know
And I don't wanna lie broken.. on the ground
Owoh.. ohohoh... ahah
Yeah yeah yeah yeah!
Nobody loves you when you're broken
With the weight of the world in your hands
Nobody needs you when you're broken.. broken down..
Ahoh-oo-oh-oo-oh-oo-oh
I'm on the ground
I'm broken down
Hurtling down
I'm down
Ah I'm broken down
I'm feelin' down
I'm broken down
I'm broken..
