Doro, Desperately

You like to play with me you drive me wild you hurt me really deep and I don't know why it seems to me that I'm a long,long way from home I went to far on the road to nowhere it's you and me in a living nightmare I gave up everything just to stay close to your heart You make me haul like the wind I don't know how you got under my skin Crying, shake it up if I cry like u baby does it do it for you crying, am t enough if I cry till forever will I ever get trough I see the trouble and I feel the danger is my heart heating for a heartless stranger just say a word and make me see the things I don't understand I'm freezing cold and its getting colder I'm losing hope I can't wait no longer If I could read your mind I wouldnt come around here no more You better know that I'm losing my bead and when I go love will never come back Repeat chorus You gotta know' that you pushed me to far youll soon know how that feels I tell you now there's only one way out my last chance is, I'll turn it around Repeat chorus
