

Doro, Last Day Of My Life

you carry on your lips a lie and kiss me with it's sadness
the lie is that you'll say good-bye that nothing
please don't say that i lost all the things you once loved
all the things i once had turned to shadows and
you can say you don't believe in love you say it isn't true
that you won't look me in the eyes after what
please don't say that i lost all the things you once loved
please don't kiss me good-bye thinking love's
solo
please don't say that i lost all the things you once loved
all the things i once had turned to shadows and
