

# Doro, Rock Before You Bleed

We all love  
We all breathe  
We all feel the risin' heat

Times are changin' & Our life goes on  
And we need to be strong  
Yeah we need to be strong

[Chorus]  
We will rock  
Before we bleed  
We will rock to be free  
We will rock  
It all we need  
We will rock  
Before we bleed  
We will rock  
Before we bleed

We hear the thunder  
Yeah life is cruel  
Who knows what will change  
But it'll be ok  
It'll be all right  
Wee all here tonight  
And we'll live it up all night

[Chorus]  
We will rock  
Before we bleed  
We will rock to be free  
We will rock  
It all we need  
We will rock  
Before we bleed  
We will rock  
Before we bleed  
We will rock  
We will rock  
We will rock on  
We will rock  
We will rock  
Before we bleed  
We will rock  
We will rock  
We will rock on  
We will rock  
We will rock on
