

Dottie West, Love Takes Care Of Me

Cause your love takes good care of me yes your love takes good care of me
And when the rain falls and the wind blows and the storm is on the sea
I'll be safe your love takes care of me

When life for me gets weary and the sun refuses to shine
I run to the arms of the one I love and there I'll hide
You know just what to do and say you make my life worthwhile
And when I look into your face I see heaven in your smile
And your love...
Oh I'll be safe your love takes care of me
