

Dover, Grey

GREY

I saw grey, yeah laying on the street, crying on the inside
I saw grey was you, you said just "thank you sir"
I know this is my fault I didn't know you
sorry

I saw grey, yeah laying on the street, crying on the inside
I saw grey was you, you said just "thank you sir"
I know this is my fault I didn't know you
sorry

I saw grey, yeah laying on the street, crying on the inside
I saw grey was you, you said just "thank you sir"
I know this is my fault I didn't know you
