

# Downhere, Breathing In

Death is no conflict,  
for those who do belong,  
The very last life breath,  
starts a brand new song-  
Promised to find,  
what I've been looking for,  
I guess then we will meet  
right at Heaven's door...

## CHORUS

As I wander the streets of gold  
Talk to all the friends I've known  
We'll go adore the Master King,  
Then only then I'll be breathing in.

For me to live is Christ,  
and to die is gain,  
When I leave this earth,  
I'm not coming back again  
So I wear this life like a dirty coat,  
Give up my tattered threads  
when I cross the moat.

## CHORUS

Life has no conflict,  
for those who do belong,  
This very moment can start whole new songs  
When I pass through; die, as we all shall do,  
I'm going to fall at the feet of the one who created me and you

Only peace, no disease, no more rain,  
no more pain,  
No more tears, no more fears?  
Breathing in.
