

Dragonforce, Power And Glory

A black ??? falls on this city
But under the lights
Been searching for answers, but this time you
You feel so alive

Just free your own mind, it's not easy
To give all you got
'Cause no one can stop you
From climbing this mountain and making the top

Run, strive for the fame
Blood of the game, that we played time and again
It's up to you to break these chains

Reasons to live, reasons to die
Live for the power and glory
Never give up, reach for the top
Find your own path and tonight we'll make it

Reasons to live, reasons to die
Live for the power and glory
Never give up, reach for the top
Find your own path and tonight we'll make it all right

Now, everyone wants to be something
A feeling so strong
But only one thing really matters
A place to belong

Don't spend all your days in the shadows
You're not on your own
But just keep on fighting
'Cause you never know what you got till it's gone

Run, strive for the fame
Blood of the game, that we played time and again
It's up to you to break these chains

Reasons to live, reasons to die
Live for the power and glory
Never give up, reach for the top
Find your own path and tonight we'll make it

Reasons to live, reasons to die
Live for the power and glory
Never give up, reach for the top
Find your own path and tonight we'll make it all right

(solos)

Reasons to live, reasons to die
Live for the power and glory

Reasons to live, reasons to die
Live for the power and glory
Never give up, reach for the top
Find your own path and tonight we'll make it

(Reasons to live) Reasons to live
(Reasons to die) Reasons to die
(Live for the power and glory) Power and glory
(Never give up)
(Reach for the top) Reach for the top
(Find your own path and)

Tonight we'll make it all right (tonight we'll make it all right)
Whoa, find your own path and tonight we'll make it all right
