

# Drake Bell, Everything Is Gonna Be Ok

Was 2 A.M. on a 2 way street in the middle of Manhattan.  
I've been walkin' around since the sun went down  
just waitin' for something to happen.  
And I wish I could make the world move a little faster.  
I'm not sure how much longer I can last here.

CHORUS:

I know it's me that's got to change the moment.  
Life goes on, I guess I think I've always know it.  
Might not be tonight, tomorrow or the next day.  
But everything is gonna be OK.  
It's gonna be OK.

I remember a time when things were so fine my cup was overflowing.  
Didn't occur to me that eventually  
you would leave me without a women.  
And I've been searchin' for a sympathetic ear.  
But it's not workin' I'm still alone and standing here.

CHORUS:

I know it's me that's got to change the moment.  
Life goes on, I guess I think I've always know it.  
Might not be tonight, tomorrow or the next day,  
But everything is gonna be OK.  
It's gonna be OK.  
It's gonna be OK.

Gotta get a grip  
Gotta deal with it  
Gotta find find some way to live without you  
Forget the past  
Get a grasp  
Cause my life ain't about you.... anymore

CHORUS:

I know it's me that's go to change the moment.  
Life goes on, I guess I think I've always known it.  
Might not be tonight, tomorrow or the next day,  
But everything is gonna be OK.

CHORUS:

I know it's me that's got to change the moment.  
Life goes on, I guess I think I've always known it.  
Might not be tonight, tomorrow or the next day,  
But everythig is gonna be OK.  
It's gonna be OK.  
It's gonna be OK.  
Yeah.
