

Drake, Miss Me (ft. Lil Wayne)

[Drake:]

I said tell me whats really going on
Drizzy back up in this thing I?m ready, whats happening
gon for surgery but now I?m back again
I?m bout my paper like a muthf-cking scratch and win
World Series attitude, champagne bottle life
nothing ever changes so tonight is like tomorrow night
I will have a model wife your b-tch is as hot as ice
every time you see me I look like I hit the lotto twice

(Drake you got em right)
Yeah I got em Bun

I love myself because I swear their life is just not as fun
Neks got the weed, Hush got a gun
CJ?s got my credit cards and a lot of ones
yeah, I?m in the city of the purple sprite
someone tell Maliah I?m on fire she should work tonight
call her King of Diamonds and tell China it?d be worth the flight
I?ll be at my table stacking dollar?s to the perfect height
work something twirk something basis
she just tryna make it so she right here gettin naked
I don?t judge her, I don?t judge her
but I could never love her cause to her I?m just a rapper
and soon she?ll have met another
thats why me and lil jazz bout to spaz can you keep up
I?m just feeling sorry for whoever got to sweep up
yeah bills everywhere, trill everything
and Drake just stand for Do Right And Kill Everything
I love Nicki Minaj
I told her I?d admit it
I hope one day we get married just to say we f-cking did it
and girl I?m f-cking serious I?m with it if you with it
cause your verses turn me on and your pants are mighty fitted
uh, damn, I think you caught me in a moment
like I catch em stealing flows cause I swear I never loaned it
and Life aint a rehearsal the camera?s always rollin?
so come and get a portion of this money that we be blowin?
cause it?s on, you should come with me
if you got some time this is where you wanna be
we could go all night long
this could last all night long

bet it?s goin down
we gon make it right
this is what they mean when they talk about the life
we could go all night long
this could last all night long
I?m with it if you with it?
