

# Dramarama, Ain't It The Truth

Well I read magazines so I know what it means  
To be part of the problem while causing yoursenes  
And I roll down the windows in my limousines

And I'm practicing over the counter now  
And I look good in white or in green  
And I try to remember the faces of familymembers  
When I tell them things

Ain't it the truth  
And it's pulling me so hard  
Ain't it the truth  
It ain't taking me too far  
It ain't taking me too far  
It ain't taking me too far

Yeah well I talked to Dawn and God knows  
what she's on  
And she told me that you dated Lawrence Lee  
Kwan  
I told her I had a girl that I'd like to call Abigail  
And I'm writing a meaningless love affair  
And I'm thinking of buying a pet  
And I'd give it a name and I'd give it a home  
And have something to never forget

Ain't it the truth  
And it's pulling me so hard  
Ain't it the truth  
Ain't it the truth  
Ain't it the truth

Yeah well I know the truth cause I watch Dr.  
Ruth  
Feeling sorry for the thing when I see Dr. King  
Saying "I have a dream!"  
But the doctors just couldn't do anything

And I'm practicing over the counter now  
And I look good in white or in green  
And I try to remember the faces of family  
members  
When I tell them things

Ain't it the truth  
And it's pulling me so hard  
Ain't it the truth  
It ain't taking me too far  
It ain't taking me too far  
It ain't taking me too far
