

# Dream Child, Reign Is Grumbling

come from the skies,  
Humans cannot see.  
Some kind of spy,  
Analysing things;  
For millions of year,  
I watch the situation,  
With no bad intentions,  
I see what's going on.  
I don't want to guide you or to help you.  
I could, but you're not wise enough...

You've inherited,  
Of a real paradise,  
You twisted it,  
In a world of cries !  
Using science,  
In some horrifying ways,  
Always turning, The right things to  
wrong.

[pre chorus]  
Your fall is coming,  
but you turn your back,  
On thruth, of the event I see.

The fire, the water, the stone,  
Will fall all over you !  
But you don't seem to realize;  
Oh no, your reign is  
crumbling...  
You send machines,  
And men to stars.  
But maybe the future,  
Will bring stellar wars.  
You want to conquer some new  
worlds,  
As if you that the earth was  
dying.  
You want to rule the universe,  
To me, it makes no sense.

[pre chorus]  
[chorus]

You think you're powerful,  
I feel you're power fools.  
You want to be the biggest,  
Soon you'll be the bleedest !  
Wake up! Still time to change.  
Arise!  
And build prace again.  
Do it! While you still have, all the  
choices.  
I've warned but still I can't help you.  
I could but you're not wise enough.

[chorus two times]
