

# Dream Theater, Anna Lee

Helpless child  
They invite your hands to fill their needs  
Will you be the same  
Shameless smile  
To steal from you the innocence that bleeds  
Will they feel your pain

Trying to believe  
The scars unseen  
The tears wash clean  
You don't wanna breathe the air you breathe  
You don't know how you'll live a life alone  
She keeps holding on  
Holding on to you  
Let her breathe the air  
Don't wanna be alone  
Where do you belong  
Anna Lee

Behind those eyes  
The vivid scene, a lucid dream within  
Questioned secrets are revealed  
And every time  
You can't deny the lines that trace your skin  
Wounds that never heal

Trying to believe  
The scars unseen  
The tears wash clean  
You don't wanna breathe the air you breathe  
You don't know how you'll live a life alone  
She keeps holding on  
Holding on to you  
Let her breathe the air  
Don't wanna be alone  
Where do you belong  
Anna Lee

And now she's calling out a name  
Can't keep on hiding all her pain  
You feel the rain move in  
As you begin  
To turn and answer the call

Trying to believe  
The scars unseen  
The tears wash clean  
You don't wanna breathe the air you breathe  
You don't know how you'll live a life alone  
She keeps holding on  
Holding on to you  
Let her breathe the air  
Don't wanna be alone  
Where do you belong
