

# Dream Theater, Caught In A New Millennium

A single star behind me  
A red sky burns ahead  
A lonely light below me  
Awake among the dead

I can't hold on any longer  
These feelings keep growing stronger  
Echoes that deafen the mind  
Will bury my voice in their wake

Caught in a Web  
Removed from the world  
Hanging on by a thread  
Spinning the lies  
Devised in my head

Living out a constant deja-vu  
Keep your head up  
Please be patient we will get to you  
Keep your head up  
Just have some faith and you can see it through  
Keep your head up  
What they want from me ain't gotta clue  
Keep your head up  
Swallow pride before it swallows you  
Keep your head up  
Don't dare bite the hand that's starving you  
Keep your head up

How can you keep your head  
And not go insane  
When the only light at the end  
Of the tunnel is another train

Caught in a Web  
Refused by the world  
Hanging on by a thread  
Spinning a cage  
Denied and misread

I've got this feeling  
The tide is turning now baby  
Funny feeling  
Everything's gonna be alright now
