[Golden Slumbers]
Once there was a way to get back homeward
Once there was a way to get back home
Sleep pretty darling do not cry
And I will sing a lullaby

Golden slumbers fill your eyes Smiles awake you when you rise Sleep pretty darling do not cry And I will sing a lullaby

Once there was a way to get back homeward Once there was a way to get back home Sleep pretty darling do not cry And I will sing a lullaby

[Carry That Weight]
Boy, you're gonna carry that weight
Carry that weight a long time
Boy, you're gonna carry that weight
Carry that weight a long time

I never give you my pillow I only send you my invitation And in the middle of the celebrations I break down

Boy, you're gonna carry that weight Carry that weight a long time Boy, you're gonna carry that weight Carry that weight a long time

Yeah, all right! Are you gonna be in my dreams, tonight?

And in the end The love you take Is equal to the love you make
